World Masters Games 2027 Kansai – Orienteering
World Masters Orienteering Championships 2027

Transportation within the competition host region

Version 1　(October 2026)

The WMG/WMOC 2027 orienteering competition will be hosted by Yabu City and Kami Town in the Tajima region (northern Hyogo Prefecture), as well as Kamikawa Town in the Naka-Harima region.

This area bustles with activity throughout the year: it serves as a ski destination in winter; a venue for mountaineering, hiking, and various outdoor sports from spring through autumn; and a location for "nature schools" where elementary school students experience life amidst the natural environment.
It is a great pleasure to be able to host the World Masters Orienteering Championships in this naturally beautiful region, and we warmly welcome you all.

WMG/WMOC2027 Orienteering Competition Executive Committee

We have compiled information regarding accommodation and transportation, as these are matters of great interest to you. Here, we will introduce bus transportation, which is a vital mode of transport for everyone.

As shown on the map, the area is quite extensive, and public transportation options are somewhat limited. Therefore, we will be providing official buses from accommodations to the competition venues during the event.

1. Wide Area Map

The map shows the following:

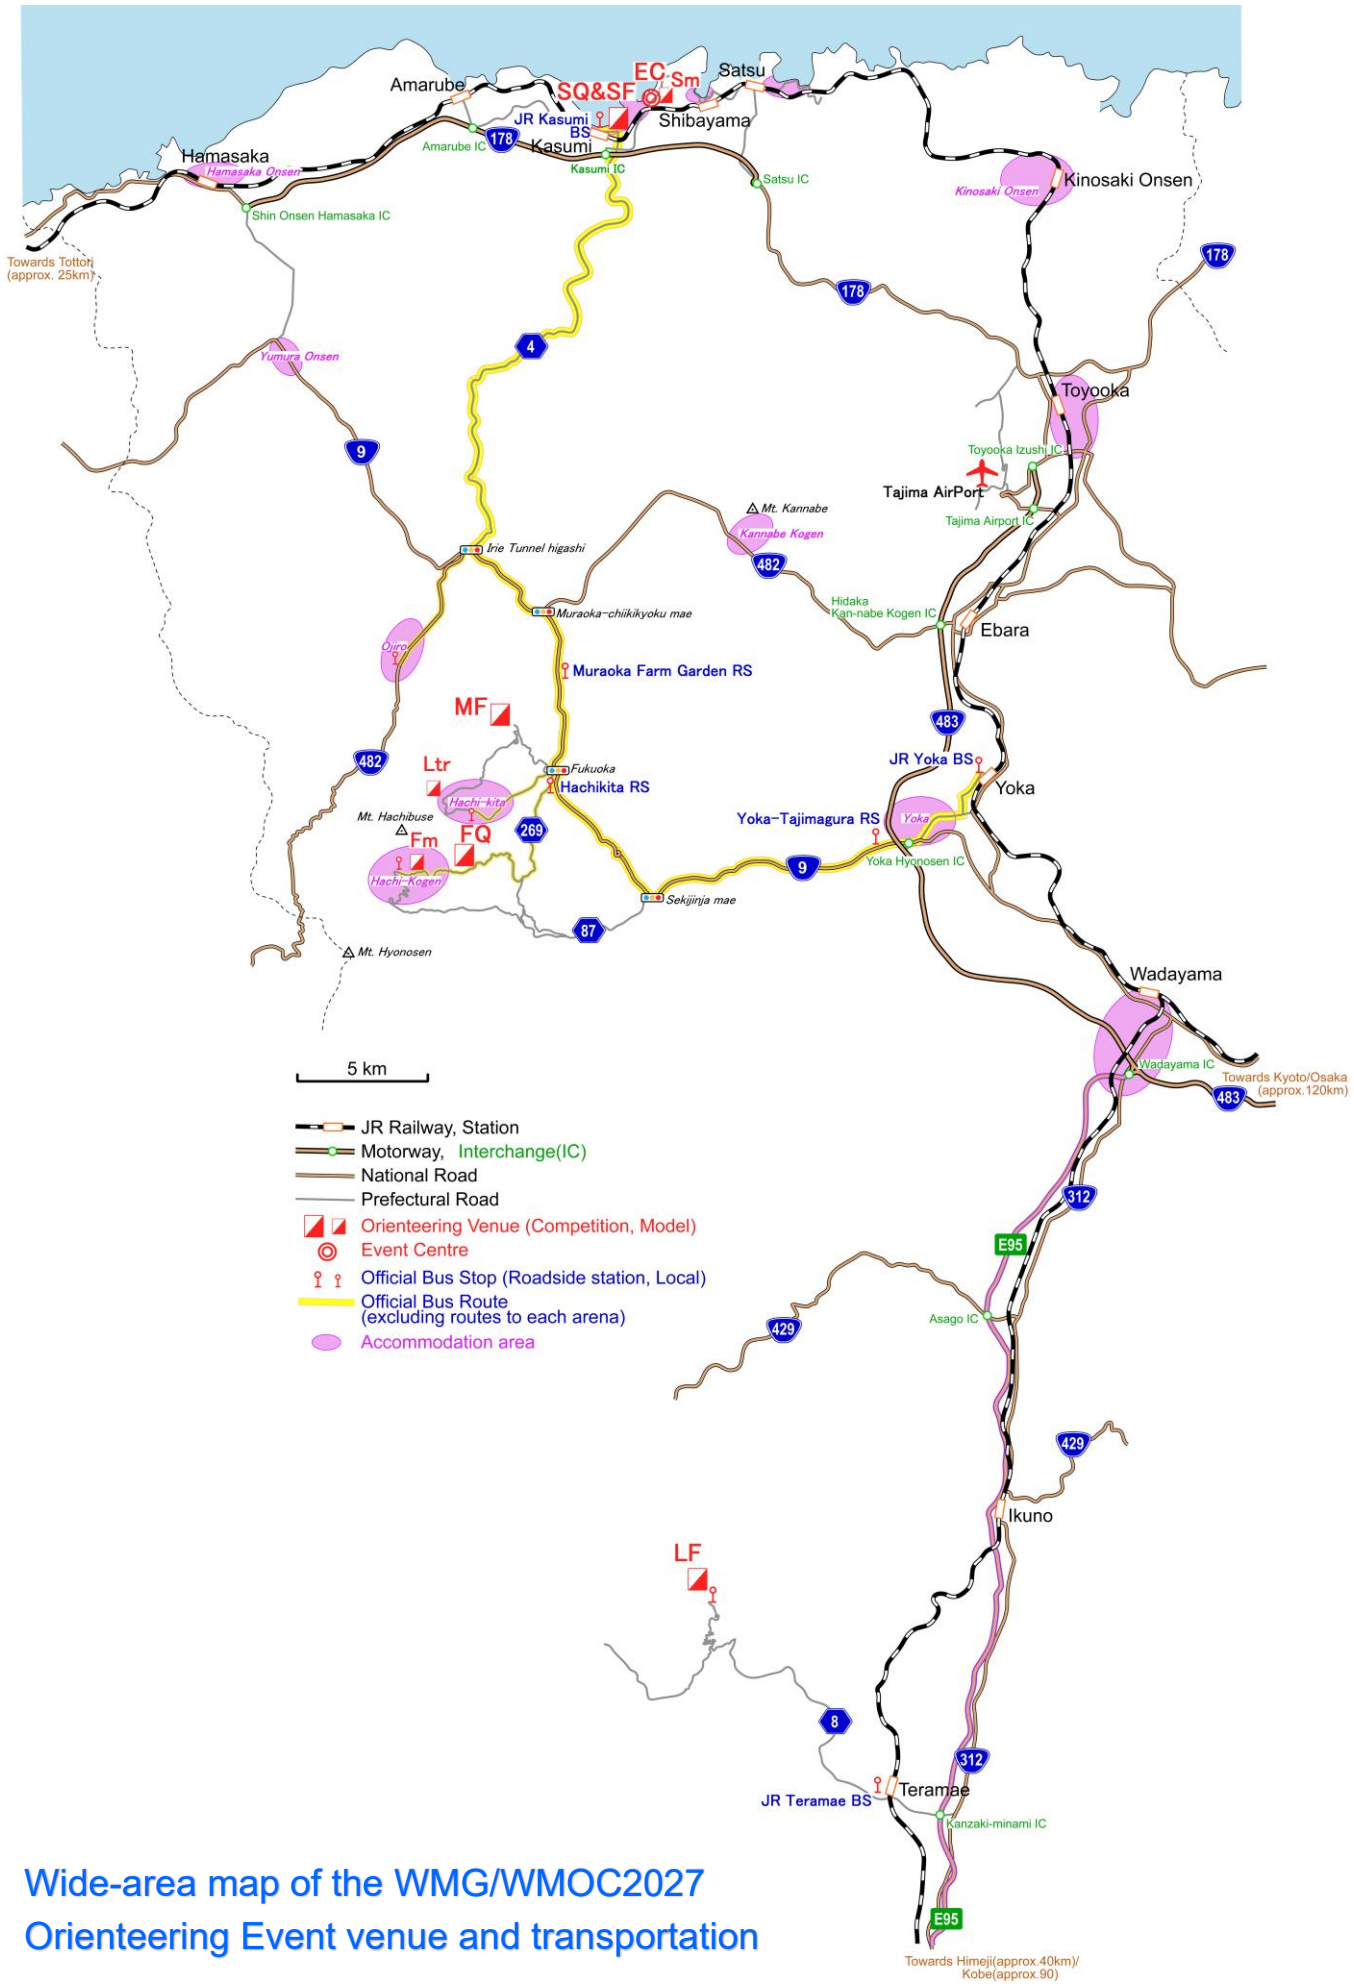

- Event centre and venues for the Sprint and Forest competitions of the WMG/WMOC 2027 orienteering event
- Railways (including the JR San-in Main Line) and major roads connecting these locations
- Official bus routes
- Major accommodation areas

2. Official Bus

- The organisers plan to operate official buses connecting JR railway stations, accommodation areas, and the event venue.
- Due to the ongoing difficulty in securing bus drivers in Japan, the official bus service is available only to those who register in advance.
- Please register via IOF Eventor. Registration deadline:
  Sunday, February 28, 2027, 23:59 (JST).
- Official bus fares:

Full schedule:	¥15,000
Sprint only (3 days):	¥7,000
Forest only (5 days):	¥10,000

- The official bus service originates at JR Yoka Station and JR Kasumi Station, with stops available along the way at roadside stations (*Michi-no-Eki*: Yoka Tajima-no-Kura, Hachikita, and Muraoka Farm Garden). Additionally, the Hachikita accommodation area (Hachikita Tourism Association) and Hachi Kogen (Hachi Kogen Exchange Promotion Centre) are designated as starting points for passengers staying in those areas.
  Buses will operate between these starting points and the event venue on event days.
- Please note that the bus routes will differ depending on the day of the event.
- The operating schedule (timetable) will be announced on the event website after the registration deadline, as it depends on the accommodation locations.
- You may be assigned a specific bus to use based on your start time on the day of the event.
